YOUTH LEADERSHIP PROGRAM 2024-2025

Organization

Mzuzu E-Hub

Country of implementation:

Malawi

Are you a passionate and driven young leader looking to make a difference in your community?

Join the movement! Mzuzu E-Hub, in collaboration with [Digital Opportunity Trust](#), and the [Mastercard Foundation](#) is proud to announce that applications are now open for the Youth Leadership Program 2024-2025. Part of the Going Beyond Project, this transformative initiative aims to equip young graduates with the skills, knowledge, and resources needed to drive social change and foster entrepreneurship in their communities.

Why Join the Youth Leadership Program?

As a participant in the Youth Leadership Program you will be equipped with digital skills and social impact acumen, to enhance your ability to influence and contribute to socio-economic development within your community. This program aims to boost your agency and open up new work opportunities, while also building your capacity to implement the Digital Business Program locally.

During the program you will undergo 3 weeks] (1 virtual onboarding and 2 weeks) of extensive training to prepare you for your role as a program facilitator, coach, and change maker. After training you will be deployed back to your community for 6 months with a mission to empower your peers and local micro, small, and medium enterprises (MSMEs) owners, 70% women, with essential skills for business growth. This includes soft skills, basic business skills, practical digital skills, and self-confidence.

By joining the Youth Leadership Program, you will:

- **Receive Comprehensive Training:** Enhance your leadership, digital, and entrepreneurial skills through detailed training modules. You will also receive career development training and employment linkages throughout the program.
- **Become a Coach and Change maker:** Serve as a role model and coach to your peers, fostering a spirit of innovation and entrepreneurship in your community.
- **Empower Your Community:** Help local MSMEs grow by sharing essential business skills and practical digital tools.
- **Join the DOT Youth Community:** Become part of a vibrant network of over 5,000 young leaders across Africa, gaining access to local and international opportunities for collaboration and growth.

About the Going Beyond Project:

The [Going Beyond – Partnering for a Youth-Led Future](#) project is a partnership between DOT and the Mastercard Foundation that aims to scale DOT's evidence-based, peer-to-peer model and will be executed in four African countries – Côte d'Ivoire, Malawi, Zambia, and Tanzania. Over five years, and with the support of DOT regional hubs in Africa, the Going Beyond project will progressively transfer the responsibility for delivering DOT's programs and equip youth as leaders of the future.
